

# BEST OF DISNEY

Disney

If a survey were to be conducted on children's favourite Disney characters, the answers would vary greatly. Given the fact that there are now over 500 Disney films, this is hardly surprising. But a few characters do stand out – partly because so many children know them and partly because nearly all children who do know them love them. These include Sheriff Woody from Toy Story, the fourth instalment of which was released last year. The red speedster Lightning McQueen from Cars, especially with car-mad boys. Clownfish Nemo, who makes everyone laugh. And Winnie the Pooh, who

has been delighting children for generations.

That's why PEZ has chosen these four characters for its 2020 Best of Disney range. **Starting in spring, Woody, Lightning, Pooh and Nemo will be available in stores as PEZ dispensers. There's sure to be something for every Disney fan.**
