

SPIRIT

RIDING FREE

The greatest happiness on earth can be found sitting in the saddle of a horse – a proverb that seems to apply most to little girls. Such happiness can also be found in the series Spirit. Twelve-year-old Lucky is only truly fulfilled after moving from the big city to the countryside, where the wild mustang Spirit becomes her trusted companion. She is the only one he trusts, which is why he lets her ride him. In her classmates Abigail and Pru, Lucky also finds two wonderful friends who will stick

by her through thick and thin. As passionate riders too, of course, the girls experience all kinds of adventures with their big, four-legged friends. **As of autumn, Spirit and Lucky, along with the two horses Boomerang and – from 2021 – Chica Linda will be available in stores as PEZ dispensers.**
